

CERTIFICATE-MALICIOUS CODE

1. This is to certify that the Hardware and the Software being offered, as part of the Contract, does not contain embedded malicious code that would activate procedures to:-

- (a) Inhibit the desired and designed function of the equipment.
- (b) Cause physical damage to the user or equipment during the exploitation.
- (c) Tap information resident or transient in the equipment/networks.

2. The firm will be considered to be in breach of the procurement contract, in case

physical damage, loss of information or infringements related to Copyright and Intellectual Property Rights (IPRs) are caused due to activation of any such malicious code in embedded software.

Thanking you,

For RDP
